para 2 of the proceedings of the Meeting of Deputy Commissioners and Heads of Departments held in October 1935 states that " The Revenue Commissioner had no objection to these proposals being given effect to in the Districts of Shimoga and Kadur and his opinion was accepted " from this it is understood that the proposals in para 1 thereof which were otherwise general for all the districts, were intended to be confined to the two Districts of Shimoga and Kadur only. To make the point clear, there may perhaps be consulted in the matter unofficially.
